

Boston Bruins Fan Club

A Book of Favorite Recipes Compiled by Boston Bruins Fan Club.

[Cover title]: *Boston Bruins Fan Club Cookbook*

Shawnee Mission, Kansas / (Providence, Rhode Island): Circulation Service / Boston Bruins Hockey Fan Club 1982 \$125

Octavo. [36], 66, [6]pp. + ads and inserted dividers. Plastic spiral bound illustrated wrappers. Slight soiling on the wrappers, tiny tears at the bottom of one leaf, else very good or better. Recipes by Bruins fans, interspersed with boilerplate about food provided by the publisher who specialized in cookbooks for small groups. *OCLC* locates no copies of this particular volume, although it finds hundreds of different volumes compiled by this publisher, most of which presumably followed the same format. Sort of interesting - most of these sorts of cookbooks were prepared for churches or women's clubs, we've seen no others for professional sports fan clubs.
