**Syl MacDowell**  
*We Live in a Trailer*  
New York: Julian Messner  
(1938)

First edition. Modest soiling, rubber stamp of a Los Angeles trailer company on the front fly, very good in good or better dustwrapper with a number of modest chips and tears. True account of a couple's glamorous 15,000 miles trip around the American West. [BTC#123456]
