*An Artist's Affaire: The Amorous Confessions of a Model whose Shape was her Meal Ticket. A True Story*

London: Erotic Pub. Co. [circa 1925]

\$500

Edition unknown. Multi-lith printed wrappers, bound in early and perhaps contemporary, half orange, half blue cloth. 93pp., illustrated with both vignettes and full page plates. Lacks pp. 29-30 (probably a single sided illustration as no text is obviously lacking). Short tear on one page, chip on rear wrap affecting no printing, well-thumbed but very good. From a noted erotica collection. *OCLC* locates no copies; a 1994 reprint exists.
