**W.S. Sutton**

*How May We Develop [sic] a Stronger Fraternal Feeling Among the Teachers?*

[Temple, Texas: no publisher 1898?]

\$300

First edition. Octavo. 8pp. Tan paperwrappers. Ex-library, pages moderately darkened, chipping to one corner, a good example of a fragile pamphlet. A paper read in Temple, Texas, on December 30, 1897, by William Seneca Sutton, a Professor of Pedagogy at the University of Texas, before the State Association of Superintendents and Principals. *OCLC* locates a single copy (University of Texas, Austin).
