BUREAU OF EDUCATION.

THE INDIAN SCHOOL

AT

CARLISLE BARRACKS.

DEPARTMENT OF THE INTERIOR,
BUREAU OF EDUCATION,
Washington, August 9, 1880.

The accompanying report is published for the purpose of acquainting educators and school officials with the interesting experiment of training Indian children in the knowledge and usages of civilized life in progress during the past eight months at Carlisle Barracks, Pa.

The report was prepared when the school had not been in existence four months, yet its remarks have been more than confirmed by subsequent events. The progress of the pupils has been most gratifying.
