Richard Hell and Robert Quine

Max's Fri + Sat 4 NITES! CBGB'S Sun + Mon Richard Hell & The Voidoids ...

[New York: 1978]

Original poster. Measuring 11" x 16½". Collage and titles printed in black with spot printed red and blue titles. Touch of wear at one corner, else fine. Boldly Signed by Hell and guitarist innovator Robert Quine. A simple but effective visual pun with the stars and stripes in monochrome and Hell and The Voidoids in red and blue. An interesting poster that was probably designed by Hell (the reputed "inventor" of the ripped and torn tee-shirt). OCLC locates no copies though we suspect one might exist in the Hell papers at New York University. Rare. [BTC# 370759]
