Philadelphia: Macrae Smith Company (1969)

\$850

Jacket cover art of a Philippine child riding an ox with a village house in the background. 7¼" x 9½". Pen and tempura on textured green cardstock or thick paper. Editors markings on the drawing. Near fine. Originally published by Macrae Smith in 1949, apparently this jacket art was prepared for the 1969 re-issue.

[With] A copy of the 1969 edition is supplied for comparison. Fine in pictorial boards (reproducing the jacket art) and lightly rubbed, near fine dustwrapper. [With]: Publisher maquette with tissue overlay; both the overlay and the margins contain many editorial notes. [\[BTC#383766\]](#)
