*“Should Women Vote?” [article in] The Home-Maker. A Monthly Magazine.*  
*February 1890, Volume 3, Number 5*

New York: The Home-Maker Company 1890

\$300

Magazine. Large octavo. Slight tears and modest loss at the spine, an attractive, very good or better copy. One of the two featured articles in the magazine, highlighted in red on the front wrap, is Lucy Stone’s “Should Women Vote?”; the other is an installment in a serial by Elizabeth Custer, widow of George Armstrong Custer. Scarce, especially in original wrappers. [BTC#390008]
