Constitution of the National Association of Negro Business and Professional Women's Clubs, Inc. 1949

[New York]: National Association of Negro Business and Professional Women's Clubs, Inc. 1949

16mo. 16pp. Stapled printed blue wrappers. A trifle foxed on the wrappers and stapled a little oxidized, else near fine. Rules, by-laws, and a listing of the New York-area officers, the Association was founded in 1940 by E. Odessa Young, but presumably the activities of the organization were limited during the War years, and the foundation date is usually attributed to 1945. Possibly unique. *OCLC* locates no copies of a Constitution issued by this organization before 1978. [BTC#393848]

Section 5. Founders Day shall be celebrated each year on April 12, the birthday of the Founder, the late E. Odessa Young.
