Edgar Allan Poe. (Henry L. Williams)

The Complete Poems of Edgar Allan Poe, with original notes, by Henry L. Williams [cover title]: Poetical Works of Edgar A. Poe

New York: Hurst & Co. 1884

Dime novel (although not a novel) or railroad type publication. Stated "No. 1. Jan. 1, 1884" 12mo. 194pp. Illustrated wrappers. Tiny chip to the upper right-hand corner of the front wrap and first leaf, very slight loss at the foot, tiny hole on last leaf of text, small scattered stains, still a handsome, very good or better copy. Possibly a piracy, the first volume issued as part of Hurst's Universal Library". The company had also issued a similar version in hardcover in 1882. OCLC locates many copies of the 1882 hardcover issue, but only a single copy of this wrapped issue, at Yale. [BTC#395068]
