## *The Daytona Beach Cook Book*

Daytona Beach, Florida: The Peninsula Club [circa 1945?]

\$125

First edition. Tall octavo. 73, [7]pp. Stapled illustrated green wrappers. Introduction in dialect by "De Reverend Gabriel Johnson". Stapled oxidized, penciled date (January, 1946) on titlepage, some moderate foxing and faint stains on the wrappers and foxing on the endpapers overall very good; otherwise internally about fine. Includes many ads from local businesses. *OCLC* locates a single copy, at the State Library of Florida.
