E. E. WHITFIELD'S West and Northwestern Missionary Journey

Blessed Saviour count on me,
Willing to take up the Cross and follow Thee.

One leaf folded to make four pages. Photographic portrait on front page of African-American missionary Whitfield in traveling clothes and with her luggage. Age-toning and small nicks and tears, a sound, about good copy. Text by Whitfield about her missions, mostly in the American West: California, Oregon, Washington, Montana, Idaho, Utah, Colorado, and New Mexico, calling for additional laborers. OCLC locates no copies.
