Josephine Baker

[Program] *Folies Bergere: Un Vent de Folie. Cinquieme Album 1927*

Paris: Folies Bergere 1927

\$175

Large quarto. [16]pp. Stapled illustrated wrappers, die-cut to reveal a image in color of a bare-breasted Josephine Baker, and with a Paul Colin illustration of Baker on the rear wrap. Modest erosion and staining at the bottom of the pages, a good or better copy with the illustration of Baker especially nice. [BTC#400133]
