Souvenir of Florida

[No place: no publisher no date - circa 1925]

\$125

Oblong quarto. [20]pp. 12" x 7". Illustrated from photographs. Stapled wrappers illustrated by S. Wendell Mitchell. One vertical crease, slight wear, very good or better. Handsome and very colorful souvenir brochure, illustrated with what look like "colorized" postcard images of about 70-80 Florida attractions, many of resort or tourist hotels, and several of natural wonders. A more elaborate and visually more pleasing than usual brochure of the type.
