

Wheelbarrow [pseudonym of Matthew Mark Trumbull]

Signing the Document, The Laokoon of Labor, Chopping Sand, and other Essays

Chicago: Published by The Radical Review 1884

\$350

First edition, wrapped issue. 12mo. 132pp. Front wrapper which has small nicks and tears, has been professionally reattached, rear wrap is lacking, a sound good or better copy. Very cheaply produced wrapped issue of these 19 essays on socialism and labor. Also issued simultaneously in hardcover, the wrapped issue is very scarce. [BTC#402023]
