First edition. 12mo. 66pp. Spiral bound thick card boards. Front board illustrated and lettered by Peter Arno. One brief but eloquent admonition not to make Mrs. Otto L. Tinklepaugh's Cheese Cake ("No"), a couple of page corners a little bumped, and slight age-toning on the boards, else very near fine. Recipes, apparently by well-to-do or socially prominent women including Mrs. Alfred A. Knopf, Mrs. Carl Pforzheimer, Jr., Mrs. Whitlaw Reid, and many others. *OCLC* locates two copies (University of Michigan and Texas Woman's University Library). [BTC#402671]
