[Shape Book]: Hawaiian Hospitality

Honolulu: Hawaiian Service (1943)

\$225

First edition (?). Edited by Helen Berkey. Octavo. 48pp., illustrated from photographs; vignettes. Stapled die-cut wrappers in the shape of a pineapple. Slight creases on the wrappers, small ink note on the titlepage, else near fine. Exclusively limited to tropical cocktails, the irregular shape makes it difficult to find in nice condition. There was also a second edition. *OCLC* locates seven copies, not specifying which editions. [\[BTC#402762\]](#)
