[Photographs]: 1998 New York Gay Pride Parade (Stonewall 29)

[New York: 1998]

\$750

463 color snapshot photographic prints. Each image is 5" x "3½"; with a very few a little larger. Each image seems unique, although there might be a small number - no more than a dozen - that are duplicates or similar enough images to be near duplicates. Most are date stamped in the lower part of the image June 29, 1998 (the day after the Parade). Condition is uniformly fine. A very wide range of images from Dykes on Bikes to the Stonewall Veterans to various civic and social groups, most of the images are of the Parade itself, but a modest number of are the crowd and other revelers.
