Gore Vidal

Two Sisters: A Memoir in the Form of a Novel

Boston: Little, Brown and Company (1970)

\$550

First edition. Fine in a near fine dustwrapper with some light rubbing and a couple of very short tears. Inscribed by Vidal on the half-title to noted literary scholar and critic: "Harold Bloom: Augurii! Gore Vidal. 9-9-84". "Augurii" means wishes or best wishes in Italian. A nice association.
