(John F. Kennedy)

[Hand-Made Poster]: In Respect to the Memory of John F. Kennedy This Store Will Be Closed Monday 11am til 2pm

[1963]

\$5000

Hand-made poster. 44½" x 34½". Either stenciled or silk-screened with black poster paint on a large white sheet of paper. A few short tears at the old folds, small tears and chips in the corners from where the sign was posted, slight age-toning on the paper, overall very good. A sign prepared for an unidentified store for use during the state funeral of Kennedy on Monday, November 26th, 1963. Many government and retail establishments closed for JFK's funeral, and one must assume that similar signs were made, but we've never seen another offered for sale. While the store is unidentified and we cannot pinpoint the source, anecdotally we believe it came from Baltimore.
