[Broadside]: Kni-Cest Nursery Rhyme Pure Preserves: Childen will drink milk out of a Nursery Rhyme Glass

[No place]: Kni-Cest [circa 1935?]

\$375

Broadside. 12" x 16". Printed and illustrated in blue, orange, and brown inks. Slight age-toning, a couple of tiny tears in them margin, very near fine. Poster that was apparently offering jams or preserves in nursery rhyme-themed glass jars that would be reusable as drinking glasses. A pleasing broadside with lovely silk-screened images of old-timey children and pets. [BTC#406080]
