(Los Angeles): Friends of the Libraries University of Southern California February 12, 1967

\$450

First edition. Tall octavo. 43, [1]pp. Stapled printed red paper wrappers. Faint crease on front wrap, a bit of oxidation on the staples, else near fine. Transcript of a tribute and symposium on the life of Cole Porter. A particularly jocular gathering, and an amusing read with witty back chat, and performances by Merman and Sinatra, and a walk-on by Jimmie Stewart. Sinatra and Kanin seem to have done most of of the talking. *OCLC* locates 13 copies; all but two in California. [\[BTC#410307\]](#)
