

F.S. Mathewson, Assembled by *Handbook of Games and Stunts*

[No place - Burlington, Cumberland and Gloucester County, N.J.]: The Recreation Institute 1941 \$225

First (and presumably only) edition. Quarto. Stapled mimeographed leaves printed rectos only. 52 leaves. Illustrated. Small tear on front wrap, several creases on the edges of the leaves, a sound very good copy. Includes an introductory "Philosophy of the Recreation Movement" by Charles L. Juliana, Director of Education of Moorestown, New Jersey.

Also includes a "Bibliography of Play and Recreation Publications". Much of publication was compiled from the Bulletin Service of the National Recreation Service, but also acknowledges WPA sources. Text lists rules and advice on several activities including games, tricks, physical relay races, etc. OCLC locates no copies. [BTC#413019]
