*Robert Welch University Summer
Camp Songbook. A Collection of
Favorite Songs for Young Americans*

[No place: no publisher no date - circa 1992?] \$200

First edition? Tall thin folio. 24pp. 4¼" x 11".
Stapled decorated wrappers. Slightest soiling, fine.
Mostly patriotic songs or even maudlin standards,
some are satiric: following "The Ballad of the
Green Berets" is "The Ballad of the Blue Berets"
denigrating U.N. Peacekeeping troops, one refrain:

*"Trained to sit and clean their plates
Trained to shoot when it's too late
Some are women, others gay
These rootless ones of the Blue Berets"*

The date of the pamphlet is unclear, but Kofi is
mentioned in the song. Presumably this was Kofi
Annan, who lead the Peacekeeping force from 1992-
1996. Welch was the founder of The John Birch
Society. *OCCLC* locates no copies. **[BTC#413323]**
