

Robert L. Gill

*The Omega Psi Phi Fraternity and the Men Who Made Its History:
A Concise History*

[No place]: The Fraternity (1963)

\$500

First edition. Thin tall octavo. 138pp. Illustrated with photographs. Blue cloth gilt. Very near fine, probably issued without dustwrapper. A scarce history of a historically black fraternity. One of the founders of the fraternity was the pioneer biologist, Ernest E. Just.
