Acting edition. Fine in printed wrappers. This is Marian Seldes's copy Signed by the Albee and herself on the front wrapper along with a note in her hand: "signed on March 19 2009." Accompanied by a program for a one-time reading of *Counting the Ways* she did with Albee at the Lotos Club in New York on March 19, 2009. Seldes was a frequent Albee collaborator who appeared in *Tiny Alice*, *Three Tall Women*, *The Play About the Baby*, and won a Tony Award for her work in *A Delicate Balance*. A nice association.
