(Original broadside art): The Sophomore Class University of Minnesota Presents "Bother the Ladies" A Musical Comedy in Two Acts. Book and Lyrics by Valjean, Music by Allen, Webster, Grace Shibley, Currie and others [1917]

\$800

Original art for a broadside advertising a musical comedy held at the University of Minnesota in Minneapolis in 1917. Pen and ink with a few white highlights. 16" x 20". Signed by artist J. Gantieny lower right. Theater stage curtains frame a bespectacled lothario in a tuxedo observing a dance line of a half-dozen similarly dressed young ladies. Little is known about the production, although one sorority newsletter mentioned that it was the most successful "vaudeville" of the season. [BTC#420475]
