

[Loose Photograph]: Chicago Nurse Cabinet Card

Chicago: 1894

\$200

A sepia-toned cabinet card measuring 4" x 6½". Near fine with some rubbing and slight edgewear. A cabinet card of a nurse posed in uniform leaning on a chair. The stamp along the bottom of the photo reads, "Hartley Washbasin Ave., Chicago." Also featured on the card are captions on the front and verso which reads, "Trot December 24, 1894 for Johnnie;" and "Johnny Clevidence." A nice photograph featuring a Chicago nurse given as a gift to a sweetheart during the Christmas of 1894. [BTC#420529]
