11" x 17". Thin orange cardstock. Photographic image of Brown in upper lefthand corner. A trifle age-toned, very near fine. Brown, from Cleveland, testified before HUAC. She wrote about her experiences in *I Testify: My Years as an Undercover Agent for the FBI* (Western Islands, 1966). This poster, advertising three speaking appearances by Brown in Vermont, seems most likely to be from 1965. Black anti-Civil Rights material is seldom seen, this broadside is rare. *OCLC* locates no copies. [BTC#420961]
