Gerard Malanga

The Legacy of Gaile Vazbys

[New York?]: Aušra (Privately published) 1983

\$2500

First edition. Quarto. 68 [3] leaves (mostly) photocopied, illustrated with photocopied photographs, photo strip stapled onto leaf 31, some stamped and handwritten elements. Vello bound with typed and hand-colored(?) front wrap. Slightest soiling, easily fine. Privately printed by Malanga at his own press. 26 copies were lettered and four were hors commerce; this is copy letter "S". On the copyright page it's noted this was made possible through the support of Steve Seymour and Bill and Julie Plikaitis, this was Seymour's copy, thus the "S" designation. Mixed media poetry and photos memorializing Malanga's obsession over a tempestuous three month relationship with a younger ex-girlfriend. Rare. *OCLC* locates four copies.
