A photo album of cheese cake style pinup shots of a woman in a bikini. From the style of her bathing suit it seems to have been taken in the late 1940s or early 1950s. The photos show a woman posed on a beach in her bathing suit smiling for the camera lounging on rocks and standing in the sand. The photographer seems to have been an amateur trying to refine their eye for pinup and fashion photography. It appears the photos were used to help the photographer with their art and the woman with a possible modeling career.

A modest but interesting collection of pinup style photography from the early 1950s. [\[BTC#423293\]](#)
