*American Actors and Actresses of Today: Particularly Those Favorite to Cleveland with Lists of Their Principal Appearances.*

(Cleveland): Cleveland Plain Dealer (1913)

\$600

First Edition. Wrappers. 6pp., plus 100 unnumbered leaves of illustrations. A very good or better copy in the publisher's brown decorative paper wraps with small tears on the edges, one gently split signature in the middle of the page block, and some wear at the crown. Published in 1913, this image-driven volume catalogues the great stage actors and actresses of the US, focusing on their appearances in Cleveland, which, at the time, rivaled New York and Chicago in its entertainment culture, and still has the second-largest theatre district (after New York). An uncommon volume, we found none in commerce at the time of listing, and only half a dozen in worldwide library holdings [BTC#423718]
