**Every biker knows our unofficial motto: "Ride to eat and eat to ride."**

**These recipes are from member of the Richmond Chapter of the Harley  
Owner's Group and their friends and families. They are some of the  
best cooks we know!**

**The next biker you see give them the "thumbs up" to let them know you  
support them and their freedom to ride.**

Biker's Prayer  
May the Road rise up  
To meet you.  
The wind be at  
Your back,  
And the beauty of God's world  
Always visible to you.
