

Constitution and By-Laws of the San Antonio Amateur Softball Association Affiliated with The Texas Amateur Athletic Federation

San Antonio: San Antonio Amateur Softball Association [1937?]

\$250

12mo. 23, [1]pp., ads. Stapled decorated green wrappers. Pasted on to p.21 on a page labeled "Rule Changed and Additions" is a 1938 addendum. Just about fine. By-Laws for what looks to have been a large and vibrant attempt to promote softball in the city, specifying leagues that include both men and women, leagues of teams made of "Class A" players, commercial teams, religious teams, Latin-American Divisions, teams from academic institutions, etc. Interestingly, nothing is specified about teams of African-Americans, either admitting or prohibiting them. *OCLC* locates no copies.
