

[Large broadside]: Salsbury's Troubadours: Nellie McHenry

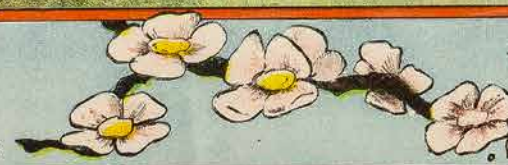

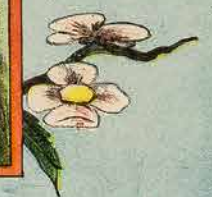

Cincinnati and New York: Ye Strobridge Lith. Company [circa 1880]

\$2000

Four color lithograph on paper. Approximately 30½" x 20¾". Small chips and tears in the margins, else near fine or better. Central image of Nellie McHenry on a hammock holding a parasol with a pastoral scene in the background. Colorful poster for the popular farce comedy troupe owned by Nathan Salsbury and featuring founding member and female lead Nellie McHenry between 1875 and 1883, when Salsbury became co-owner of Buffalo Bill's Wild West Show. A very nice example. *OCLC* locates no copies. [\[BTC#425999\]](#)
