James F. Godman

Typed Letter (Signed in type) for James F. Godman's Famous Nashville Students Colored Musical Co. Plantation Days Revue

\$225

Quarto leaf. Brief typed letter dated 27 March 1923 from Brooklyn, Connecticut on the colorful stationary of James F. Godman's Famous Nashville Students Colored Musical Co. Plantation Days Revue, incorporating a portrait of Godman in red, framed in blue. Old folds from mailing, near fine. The content of the letter, signed in typed (only by Godman, confirms an engagement of the troupe with The Pastime Amusement Company. Although we can find some then contemporary newspaper notices of James F. Godman's shows, he seems to have left little impression on the greater historical record (despite his fancy stationary!).
