TREATS FROM THE TWEETS

First and presumed only edition. Octavo. 67pp. Crudely illustrated. Stapled mimeographed leaves in printed decorated wrappers. Some small indentations on rear wrap and last leaves, else near fine. Cook book by the wives (presumably the "Tweets" of the title) of the men of the 85th Flight Training School based at Laughlin Air Force Base in Del Rio, Texas. Usually two recipes per page, with a modest emphasis on Southern cooking. *OCLC* locates no copies (under either title).
