

[Archive]: Suffolk County Branch of the League of Women Voters 2nd Annual Convention

Long Island, New York: 1923

\$175

A small archive of typed minutes and a program from the 2nd Annual League of Women Voters Convention. All items about near fine with some foxing. The two items detail the events of the 2nd Annual Convention of the Suffolk County Branch of the League of Women Voters held on October 11, 1923. The minutes discuss the opening prayer, various issues on the agenda including maternity mortality rates, and the luncheon which was "a delightful social features" of the event. A modest but interesting collection of items from an early women's voting group. [BTC#431257]
