

Lewis & Conger Household Equipment: Woman's Page of Household News

New York: Lewis & Conger Household Equipment 1923-1932 \$450

47 issues. Each issue is a single sheet printed on both sides. Old fold from mailing, else about fine. Hints for women on the domestic arts, including cooking, decorating, cleaning, and mostly shopping for new household implements. *OCLC* locates a single run from 1940. Also present are several double-sided advertisements for products from the same source. [BTC#431797]
