

Roland Young

Pen and Ink Portrait of Gilbert Seldes

\$475

Clever pen and ink caricature drawing on a white slip of paper and backed with brown paper. 4" x 5¼". Probably removed from a scrapbook, else about fine. Roland Young was an English comic actor and gifted artist probably best-known for his portrayal in the title role in the film *Topper*, as well as many other films, plays, and television. Seldes was an influential author, journalist and cultural critic.
