BLACK ORGIES

by D. DAVID DAVISSON

Voodoo rites in the famed French Quarter of New Orleans were only an excuse for orgies where teen-age girls willingly surrendered their maidenheads to the lecherous demands of lusty old men, where nothing was too extreme for the drug-maddened habitues.

32 COLOR PLATES

6 **DAVISSON, D. David.** *Black Orgies.* (New York: Erika Press 1970)

\$125

First edition. Trade paperback original. Octavo. 191, [1]pp. Full color inserted photographic plates of sexual activity. Wrappers rubbed, overall very good or better. Purported to be about the depredations and voodoo sex rites in the French Quarter of New Orleans, the plates are particularly racy for the time, as indicated by the notice that "All photos posed by professional models in Europe, editorial content is not to be construed as condoning an action." X-rated. Many but not all of the subject of the photos are black. [BTC#425447]
